

# FENIL DOSHI

7, Hetal Apt., N.S Road, Mulund(West),

Mumbai-400080

**Contact No.:** (+91) 8691817242 **Email Address:** [fenildanbrown@gmail.com](mailto:fenildanbrown@gmail.com)

**Department: Computer Engineering- SE-A**

**Programming languages known:**

**C**

**Python**

**JAVA**

**HTML**

**CSS**

**JavaScript**

**Courses undertaken:**

All academic course provided in college;

Python, Introduction to Cryptology by NPTEL.

**PROJECTS:**

No major projects undertaken. Planning to take one up in Deep Blue. A keen learner and keep doing minor things on my own which can be seen in my github profile like developing a game of TicTacToe with computer (which makes his move logically) or creating several webpages.

Love Competitive coding and regularly participate in contests organize at Hackerank and Codechef etc.

\*Importantly, all the webpages created are implemented without the use of templates. And done in first-hand using JavaScript, HTML and Advance CSS3.

GITHUB ID- <https://fenil25.github.io>

**What Makes Me The Right Candidate:**

1. I am a keen learner and good observer.
2. I am anxious to join the committee which can be seen by my rigorous perseverance in learning web development in the time duration of 2 weeks since the whole idea of this group was announced.
3. Have an in-built interest for web development
4. Committed to given tasks and responsibilities.
5. Dedicated to finding easy implementable solutions when faced with problems.

**Education:**

***B.E. (Computer Engineering)***

2016 –

Present

D. J. Sanghvi College of Engineering

CGPA: 9.15/10 (First Semester)

CGPA: 8.67/10 (Second Semester)

Class 12

Pace Junior Science College, Thane, Mumbai-HSC Board

2016

Score: 88.9%

Class 10

Friend's High School, Mumbai-SSC Board

2014

Score: 95.40%

**Achievements:**
